

START⁵NEW² SIMPLY SHARING JESUS STORIES

In the video session you just completed, Bill gave examples of Jesus Stories that could be shared in the right moment.

Below are some additional examples of stories and when they could be used.

Getting married

"That reminds me of a story about Jesus when He attended a wedding and brought the best wine they'd ever seen."

John 2 & The Wedding at Cana

Anger over false teaching

"That reminds me of a story when Jesus got really angry at religious leaders who made people think they had to do something to earn God's love."

John 2 & Clearing the Temple Courts

Spiritual questions

"That reminds me of a story about Jesus when a really smart guy came to Jesus with questions about how to get in God's favor."

John 3 & Nicodemus

Acceptance & Love

"That reminds me of a story when Jesus befriended a woman even though He knew in that culture men shouldn't do that."

John 4 & Woman at the Well

Not having Enough

"That reminds me of a story when Jesus multiplied five loaves and two fish into enough food for over 5000 people."

John 6 & Feeding of 5000

Suffering

"That reminds me of a story when Jesus said He needed to suffer in order to do God's will."

John 12 & Palm Sunday

Now it is your turn!

Using the Gospel of John, give Jesus Story examples for the first 2 situations listed below.

Once you have completed the first 2 Jesus Stories, you will complete 5 more. Prior to creating your additional examples read the Gospel of John. Concentrate and make note on those sections of John that would relate to current, real life, every-day situations. Once you have landed on the 5 examples, create the current situation, and complete the "That reminds me" section. Finally, include the location from John.
